

CLYRO FOUNDER AGREEMENT (PRE-INCORPORATION)

Date: 30/06/2026

This Founder Agreement ("Agreement") is entered into by and between:

Founder 1: Haven Johnson

Founder 2: Pablo Keirse

Together referred to as the "Founders".

1. Purpose

The Founders agree to work together to build, develop, and grow CLYRO.

The Founders intend to form a company known as **CLYRO Ltd** (or a substantially similar name) incorporated in the United Kingdom.

The long-term vision of CLYRO is to become the trust, reputation, intelligence, and business operating system for local services.

2. Founder Roles

Haven Johnson

Role: Chief Executive Officer (CEO)

Responsibilities include:

- Company vision and strategy
- Product direction
- Customer and provider research

- Branding and marketing
- Business development
- Operations
- Partnerships
- Fundraising

Pablo Keirse

Role: Chief Technology Officer (CTO)

Responsibilities include:

- Software engineering
 - Technical architecture
 - Product development
 - Infrastructure and security
 - Platform scalability
 - AI and automation implementation
 - Technical hiring and leadership
-

3. Equity

The Founders agree that the intended ownership of CLYRO shall be:

- Haven Johnson: 50%
- Pablo Keirse: 50%

The Founders intend to own CLYRO equally on a 50/50 basis, subject to the incorporation of CLYRO Ltd and execution of final company formation documents.

4. Vesting

To protect both Founders, all founder equity shall be subject to vesting.

The vesting schedule shall be:

- Four (4) year vesting period
- One (1) year cliff

- Monthly vesting thereafter

If either Founder leaves CLYRO before completing one year of active involvement, all unvested equity shall be forfeited.

After the first year, vested equity remains with the departing Founder and unvested equity returns to the company.

Vesting applies equally to both Founders.

5. Intellectual Property Assignment

All work created for CLYRO shall belong exclusively to CLYRO Ltd upon incorporation.

This includes but is not limited to:

- Source code
- Designs
- Branding
- Logos
- Documentation
- Product specifications
- Databases
- Customer research
- Provider research
- Business processes
- Marketplace systems
- Trust systems
- AI systems
- Future inventions and improvements

Each Founder agrees to assign all intellectual property created in connection with CLYRO to the company.

Neither Founder shall personally own CLYRO intellectual property outside of their ownership interest in the company.

6. Confidentiality

Both Founders agree to keep confidential all non-public information relating to CLYRO, including:

- Business plans
- Product plans
- Technical systems
- Financial information
- Customer information
- Provider information
- Research
- Future roadmap items

Confidential information shall not be disclosed without the consent of the other Founder.

7. Major Decisions

The following decisions require approval from both Founders:

- Issuing new shares
 - Raising investment
 - Selling the company
 - Taking on significant debt
 - Hiring executive-level employees
 - Changing the company's core direction
 - Acquisitions or mergers
 - Amending this Agreement
-

8. Founder Departure

If a Founder leaves the company, they agree to cooperate in transferring:

- Company accounts
- Company files
- Company credentials
- Company property
- Documentation
- Access to systems

Any unvested equity shall return to the company.

9. Good Faith

Both Founders agree to act honestly, professionally, and in good faith in the best interests of CLYRO.

Both Founders acknowledge that the success of CLYRO depends on mutual trust, commitment, and long-term cooperation.

10. Governing Law

This Agreement shall be governed by and interpreted under the laws of England and Wales.
